

Kiddy Kapers

Kiddy Kapers is a fun session for children of walking age to 5 years old. It involves activities based around varying soft play equipment whilst encouraging balance and movement on apparatus such as the trampoline, beams, tunnels and slides. We also use other aids such as bean bags, bats and hoops to help develop motor skills. In this environment children become more confident and friendly around others whilst improving their coordination and skills. Kiddy Kapers takes place on a Monday and Thursday morning.

Parents/guardians must accompany the children for all sessions

Monday

9.15am - 10am Walking - Under 2 years
